

Our love will grow

From the musical *Light in the morning*

Bill Clark

$\text{♩} = 120$ C

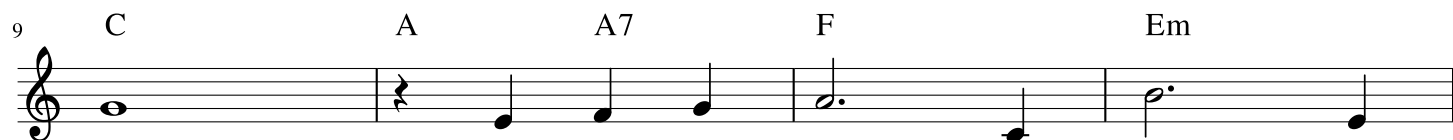

Our love will last for all our man-y

years.

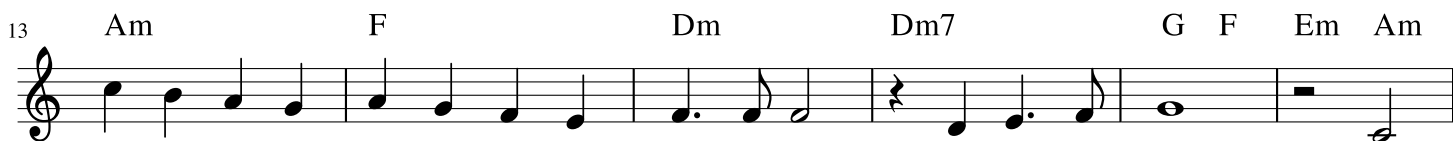

Our love wil live.

Our love will

grow.

Our love will ov - er - come the

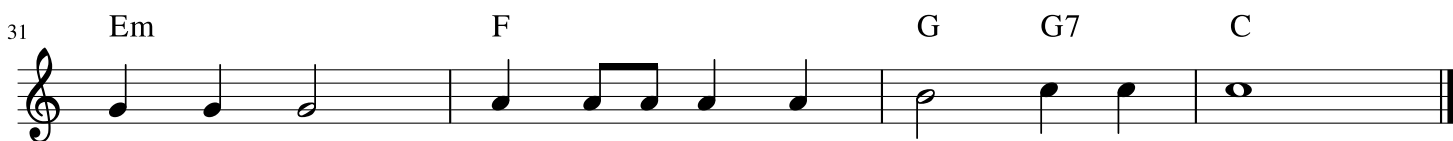

hates and fears of by-gone years and show the way of things to come, for

we can change the world, can change the times, can change the rules.
old world's day is done, its time is past. A new day's come.

The and we can live in that day, in that bright new world. Love in that day, in that

bright new world. Make a new life that's built on our love!
